# COUNCIL ADOPTS THREE RESOLUTIONS AT MONDAY MEETING

Daly City councilmen really went to town Monday night in their regular session. In a meeting lasting less than one hour, they adopted three new resolutions, acted on a number of communications and transacted considerable other business. All this—in spite of a perfect summer evening more conducive to fishing or working in the garden.

The entire city legislative body was present when Mayor A. J. Gaggero got the meeting under way at 8 o'clock.

First item on the docket was a communication from Stoneson Bros. asking council for a refund of $19,358.70 for installing a water system at the new 208 home tract on Hillside boulevard.

The communication read in part:

"The cost of installing the water system is $19,358.70, which amount is being advanced by ourselves. We request a refund in accordance with the arrangements as made with Engineer R. A. Klassen, and on same basis as such refunds are made by the San Francisco Water department in pursuance of the prescribed rules and regulations governing water service to consumers, namely:

"The department will refund to the applicant until the net amount deposited for laying of water mains has been returned, four times the amount of revenue collected annually only from the permanent new consumers attached to this water main installation."

Majority of the council members seemed to feel that the city was not legally bound to reimburse Stoneson Bros. and the communication was filed without action.

Application of William F. Kelly, 1179 Brunswick street for a position on the police force was referred to the civil service board of review. From now on, such applications are under civil service regulations, subject to competitive examinations.

Members of the council, together with A. J. Bodien and Fire Chief A. P. Chesney plan to at-

## Daly City-Colma Report Progress In War Bond Drive

Results of sales of bonds as of Monday, June 11 proved favorable to Daly City. Walter Lehigh, war finance chairman for Daly City, announced that "E" bond sales as of that date were $84,100.75. The grand total is now $106,240.

Mr. Lehigh urges all to keep on buying bonds to attain Daly City's assigned quota of $196,300. That means $90,060 to go.

John Ferrari, Colma bond chairman, announced that the district has sold $44,906.25 of the "E" series bonds and $23,220 of other issues, making a total of $68,126.25 sold to date.

The Jefferson Elementary school children in the Colma district have oversubscribed their school Seventh War Loan bond quota of $5,512.50 by approximately $1000.

Mrs. M. Pauline Brown states that the students have decided to continue selling bonds until Friday, June 15, the last day of school.

## Military Police Shoots Two In Midnight Affray

As a result of midnight row near the "top of the hill" Sunday night, two merchant seamen, David A. Harding, 22, Elgin, Ill., and Stephen Thomas O'Donnell, 18, Seattle, Wash., are in the Marine hospital in San Francisco suffering from leg wounds, and face charges to be filed in civil courts by army officials.

Responding to a call, turned in at the local police station at 12:05 a. m. Monday morning, stating that a military policeman had shot a man, Officers Benedetti and Beecher of the local department found that Pvt. W. M. Dunfee, a military policeman had sought to break up an argument between the two merchant seamen and members of the Navy's Shore Patrol over a motorcycle and in the ensuing scuffle had shot Harding and O'Donnell. Both merchant seamen were wounded in the left leg. O'Donnell also suffered a cut ear.

Harding and O'Donnell were removed to Community hospital in the local ambulance by Dean Wood, and at 1:10 Monday afternoon were transferred to Marine hospital in San Francisco.

Pvt. Dunfee claimed that when he arrived on the scene, on Hillcrest drive, just off Mission street, he found the two Merchant Seamen arguing over the motorcycle with two members of the Shore Patrol. He said that when he intervened, the two seamen lunged for his gun and attempted to take it away from him, and that he fired in self defense.

Interviewed by a San Francisco reporter in Community hospital Monday morning, Harding had a different version of the affair to offer. He claimed he was sitting on the motorcycle when Pvt. Dunfee ordered him off. He said he got off and Dunfee followed him.

"I told him I was leaving and to mind his own business. Then he hit me on the shoulder with his club. Steve (O'Donnell) interfered and the M. P. shot twice. One hit me and the other got Steve."

When Chief Bolger of the local police department notified Colonel Steel, commanding the military police in this area, of the incident, the latter absolved Pvt. Dunfee of all blame, and indicated he intended filing charges against Harding and O'Donnell in local civil courts.

Wednesday, Chief Deputy District Attorney A. S. Whitmore of San Mateo county announced in Redwood City, that no charges would be filed against Pvt. Dunfee, by that office.

Dunfee claims he fired only one shot in the scuffle, the bullet hitting O'Donnell in the leg and then ricocheting into Hardy's leg. The M.P. said he fired only after Hardy had grabbed his club.

Dunfee's story was corroborated by Joe Termine and Charles Anderson, the two Navy Shore patrolmen involved in the affair.

## South City Police Should Eat More Beef!

Local police officials were somewhat nonplused Monday morning, June 11, when they received a call from the South San Francisco police department asking that the local ambulance be sent to that city to move P. W. McQuery from the restaurant at 106 Grand avenue to the South San Francisco hospital.

McQuery, a resident of the Silver Top Hotel, in South City, had fainted and fallen from a stool while eating breakfast, cutting a gash in his head.

Local officials sent the ambulance—but wondered at the same time, why the South City police couldn't handle the case themselves, since the hospital is only a few blocks from the restaurant where the accident occurred.

## Local Firemen Win Praise by Speedy Work In Quelling Dangerous Fire

Daly City firemen earned considerable praise by speedy handling of a dangerous fire in the basement of a house at 12 Liebig street, just across the street from the County Line Market. Thursday evening, June 7.

The praise came not only from a large group of people drawn to the scene by the excitement, but from members of the San Francisco Fire department as well.

Called to the scene by an alarm turned in from Box 45, at Mission and Templeton streets, at 5:15 Thursday evening, members of Daly City Fire Companies 1 and 4 under the direction of Chief A. P. Chesney, Assistant Chief A. J. Bodien and Battalion Chief E. J. Kennedy, rolled rapidly to the scene and found a dangerous fire already burning briskly in a room back of the basement garage in the house, a frame building.

Going to work promptly, although the house is just across the county line in San Francisco, the local fire laddies had the situation well under control by the time San Francisco engines 33 and 38, hook and ladder truck 11 and chemical truck 10, summoned to the fire by a call from the box at Liebig street and San Jose avenue, arrived on the scene. The Daly City firefighters were commended highly by their San Francisco brethren, who did little more than stand by.

The blaze which could easily have developed into a disastrous fire, was brought under control in a matter of a quarter of an hour, with damage confined entirely to the one room. This room had been used as an apartment, but was being used as a laundry room by the present owners and occupants of the house, Charles Waters and family. Cause of the fire was undetermined.

An automobile parked in the garage in the front part of the garage was undamaged and no damage was done to the upper part of the house, where the Waters family had started to move furniture to the street.

In battling the blaze, the firemen had to lay a hose across Mission street, and this tied up several No. 14 cars for some minutes and caused automobile traffic to be detoured via San Jose avenue.

## DAD'S DAY

Dad will have his day on Sunday, June 17.

And the man named as the "Father of the Year" for 1945 is none other than President Harry S. Truman. For the past three years American generals have had that distinction. General MacArthur was chosen in 1942, General Eisenhower in 1943, and General Mark Clark last year.

In peace time Dad usually received a new tie, a pair of socks, or some other such item from the family in observance of his day. But in these times the National Father's Day committee is trying to make the giving more practical.

As part of the Seventh War Loan drive, the committee is recommending that families present Dad with War Bonds as a gift. The committee is also using this occasion to spur Americans to give greater support to America's fathers on the fighting line by sticking to their jobs, donating blood, welcoming back veteran dads with the offer of real jobs, and by supporting the war effort in every possible way.

Sentiment on Dad's Day is natural and proper, but let us express that sentiment in the way that will do the most to re-unite with their families the tens of thousands of the Nation's fathers who are staking their very lives in the defense of their homes and country.

## WHEN HITLER ATTACKED RUSSIA

It was just four years ago on June 22 that Adolf Hitler tacitly admitted failure to conquer Britain by turning his main efforts eastward in an attempt to conquer Russia.

Looking back now after four years it is easy to see just how great a blunder the ex-paperhanger committed in grabbing the Russian Bear by the tail. It is also possible to see now that he overlooked the potency of one of his weapons which conceivably could have brought the downfall of Britain. That weapon was the firebomb.

On the night of May 10, 1941—a little over a month before the Nazis smashed into Russia—Hitler's bombers subjected London to its most devastating fire bath. Had the performance been repeated frequently on that scale with fire bombs instead of explosives, it is not beyond possibility that London and many of the other principal cities and their industries would have become completely paralyzed.

American airmen are now using the firebombs to excellent advantage not only on flimsy structures in Japan's cities, but on modern buildings of those cities as well.

At any rate, the former Fuehrer apparently missed the possibilities of the firebomb and undertook his "six-weeks" campaign against the Soviets which eventually ended—not in Moscow—but in Berlin where he himself may have died in the rubble of the Reichschancellery.

If time means anything where Hitler now is, we imagine that he will be "burned up" when he sees June 22 on the calendar.

## PACIFIC PROGRESS

While there is little occasion for optimism about a quick victory in the Pacific, the virtual winding up of the campaign on Okinawa brings into sharp focus the progress made against Japan during the past six months.

Six months ago our nearest land approach to Japan was 1,200 miles away at B-28 bases in China and 1,500 miles distant at our bomber fields on the Marianas. Today the air strips on Okinawa which are being readied for heavier blows against Nippon are only 300 miles from the Jap mainland.

Toward the close of 1944 we were losing air bases in China which we had used for years. Our only means of supplying Chiang Kai Shek was over the Hump. Now the Chinese forces are recapturing these bases and are breaking the enemy hold on Southern China. The Japs have been driven out of Burma and overland connections with Chungking have been re-established.

Six months ago on the sea the Nips had 10 to 13 battleships and 10 to 12 large carriers besides other smaller but important units. Today Hirohito's fleet has almost ceased to exist.

It all adds up to very definite and encouraging progress during the past six months. If we continue our efforts with undiminished vigor and determination, the next six months should bring forth still greater achievements toward victory.

# News From Jeff District Schools

### Jefferson

In order to stimulate interest in the school bond drive held throughout the state this week, there was placed on the hall bulletin board of Jefferson Elementary school a large bond sales chart. This chart has eight- 12-inch high thermometers that register the amount of bond sales brought in by each class. Also a large thermometer to show the total amount of sales in the school.

A quota of $5,520.00 was set for the school which undoubtedly will be reached. At the earnest request of sales students from all the classes, the bond drive was extended to the end of the week.

The second and Third grade room was the first to reach its quota, and at present writing, still ranks first with sales amounting to $1106.25.

### Woodrow Wilson

The junior war bond salesmen of the Woodrow Wilson Elementary school have done an increasingly fine job in backing Uncle Sam's fighting men in the Seventh War loan.

The strategic minerals supplied by California have been studied by the pupils of Room 4.

Floral designs made on colored paper with crayon, decorate our art corner. They are very attractive.

The sixth grade enjoyed a sound motion picture on the great cities of the Mediterranean. Gibralta and Athens were vividly pictured and familiar scenes were filmed.

The pupils of Room 12 are making booklets about pioneers and illustrating them with their own drawings of various pioneer phases of life.

The class has also been participating in the school bond drive of the Seventh War loan.

In social studies the fifth and fourth grades are working on map booklets. In these booklets are maps upon which the children mark important places. Then the maps are colored.

### Crocker

With the end of the term just a few days hence, the students of Room 6 are working very industriously to finish their booklets on "Culture."

The students of Room 2 are very busy working on their map booklets so that they will be finished by the end of the term.

## Two Burlingame Athletes Listed As Killed In Action

Two former Burlingame High school athletes, both of them well known in Daly City, died fighting in the Pacific recently, War Department notifications received by their families last week indicated.

One was Marine Pfc. Ward Bowers, killed on Okinawa May 20. Bowers was a four sport letter man at Burlingame in 1941, captaining the football and basketball teams, besides competing in baseball and golf. He made two All-P.A.L. teams, being named quarterback on the 1941 All-league football team, and center on the P.A.L. basketball first five the same winter.

Bowers has been termed the best athlete in Burlingame High history" by Coach C. E. "Swede" Righter. He was also student body president in 1941.

Pfc. Keith L. Dalton, who was a member of Burlingame's 1943 squad, was killed May 9 in the Philippines. Although not as outstanding as Bowers, Dalton was also considered by many fans as one of that school's outstanding athletes.

At the close of school Cubs and Scouts of Troop No. 141 plan to operate a work camp at the Boy Joy site. It will be for the purpose of getting the various buildings in readiness for the summer camp that is to begin about the middle of July or early August.

Quite a number of boys have signed up for the work camp which will have a lot of fun sandwiched in between the various tasks. They will soon be in need of extra volunteer adult workers. A number of dads and friends of Scouts and Cubs have offered to help. Anyone wishing to lend a hand should get in touch with Joseph Straughan at ELkridge 3335.

# "OFF THE BLOTTER"

In addition to the usual quota of minor cases such as children missing or in trouble, street and tavern brawls, family arguments etc. and an exceptionally large number of petty thefts reported, the local police department had one mystery on their hands last week—a spooky affair that for a few minutes savored strongly of Sherlock Holmes etc.

It all came about when Supt. R. L. Crane jr of the local school department phoned the police, stating that a mysterious bundle had been found in the basement of the Woodrow Wilson school, Thursday afternoon, June 7. Upon investigating the package was found to contain a tuxedo suit and a brown army shirt. The mystery dissolved into thin air, when Officer George Savage reported the package was one he had left at the school during the recent old clothes drive.

Petty thefts reported during the week were numerous, indicating the city might suddenly have become the center of a minor crime wave.

Mrs. John P. Van Vliet of 14 W. Cavour street phoned the department Thursday afternoon, June 7 to report that someone had entered a room in the basement of her home by an undetermined method and taken $100 in bills from a desk.

At 3:35 p. m., Sunday, June 10, Mrs. Jeanne Brandt of 473 Knowles avenue, called the department and reported some one had taken a wallet from her car which was parked on Mission street opposite Wit's End Tavern. The incident occurred Friday night. The wallet contained $15 in cash, a gold cross and chain with one diamond, gasoline ration books license No. 5D4652, containing A and B stamps and four food ration books No. 4, issued to William B., William A., Robert and Jeanne Brandt. The gold cross and chain was a family keepsake, Mrs. Brandt said. She is offering a reward for its return as well as for the return of the ration books.

Domenico Guagliardo of 15 Shakespeare street reported someone had entered his home Sunday, June 10 between 10 a. m. and 9 p. m. and taken a table model radio, ornamental clock, $1360 in currency and several shirts and sweaters. Officers Benassini investigated.

Monday, June 11, at 3 p. m. someone took a Gilfillan short wave, 7 tube radio from the Daly City Garage, 47 Hillside drive, proprietor Cliff Pettigrew reported. Pettigrew is offering a $25 reward for arrest and conviction of the guilty party.

Tuesday morning James Donahue of 6259 Mission street, reported to Officer Hopman that sometime during June 2 or 3, some one had entered his building and made off with a one-half horse power double end stone grinder, with guides and safety shields, from the rear part of the sales department. He also reported the loss of an electric sanding machine from the rear of the shop during the weekend of June 9 and 10.

Missing bicycles were reported by John Cunningham, 123 Miriam street, who reported two taken from his garage; Mrs. Heggelund, 551 Vista Grande avenue, who reported a bicycle belonging to her son, Arnold, had been taken from the basement of the home, Sunday afternoon, June 10; and by Larry Salvino of 6163 Mission street who reported his bicycle had been taken from in front of the Central Creamery about 8:30 p. m. Thursday, June 7.

An automobile-street car collision in front of 6259 Mission street at 8:20 p. m. Sunday, June 10, was investigated, and it was found that Randolph Brandt was motorman of the street car and Norman Patterson of 400 Crescent avenue, the automobile driver. No damage was reported.

Two automobiles stolen from local residents were recovered in other cities during the past week. Shortly after noon Friday, June 8, Inspector Desmond of the San Francisco Auto detail called the local department to notify Mark Olds of 21 E. Cavour street his car had been recovered by that detail. Officer Henry Sundermann jr. notified the owner.

At 8:30 p. m., Monday, June 11, Lodi police department informed the local department that a car belonging to Prudence Vandevere of 101 Santa Barbara avenue, had been picked up in that city. Two tires were missing when the car was found. The owner was notified and arrangements made to return the car here.

## SCENE AT CAMP "BOY JOY"

# Troop No. 141 Gets New Camp "Boy Joy" Song

Camp Boy Joy Song.

(Tune: "Tramp, Tramp, Tramp")

Written by Scoutmaster Joseph Straughan. (Thoughts and theme suggested by Scouts and Cubs of Group No. 141.)

Camp Boy Joy it is a dandy,
It is close by and it's handy;
We can reach it from our homes
Without delay.

It is the pride of every boy
Of ONE-FOUR-ONE;
it's our joy,
And we love it, yes we love it,
Camp Boy Joy!

Chorus:

Camp, camp, camp, we love to
camp here,
Love to hear the birdies sing;
Be the weather dry or damp,
It's the place we love to camp,
At Camp Boy Joy by the clear
And bubbling spring.

We love its trails and its trees,
And the sunshine and the breeze,
And we even tolerate the ocean
fogs;
Love to make our voices ring,
From the trees we love to swing,
And we love to hear the
Croaking of the frogs.

We love the berries, watercress,
And the trackless wilderness
Where we love to tramp
And play at hide and seek;
We also love the ivy too;
Love the hills and morning dew,
And we dearly love
The rippling of the creek.

Wufus 'n Gufus, our pet 'coons,
We've had them for many moons.
How they like to climb
The highest Cypress trees;
Like to rid our pockets too,
Of anything that they can chew;
How they like to chase
The butterflys and bees!

In the twilight's evening glow,
It is then we come to know,
Of the many, many blessings
Of our Lord.
When we pray to Him on High,
As the night it draweth nigh;
It is then we seem
To touch the Golden Chord!

**GO EASY**

Again the Office of Defense Transportation asks Californians to go easy on vacation travel.

Although there will be a loosening of gasoline rationing, the ODT points out that civilian railroad travelers must expect to yield to military travel if supplies and manpower are to reach the Pacific.

All of this means just one thing. Think twice before you take a vacation away from home this summer. Let's do nothing to interfere with the services' getting all they need in men and munitions.

# Nazarenes Further Plans to Build Recreation Hall

Members of the congregation of Grace Nazarene church, Vista Grande and Santa Barbara avenues, are moving steadily forward in their plans to make that church one of the most popular houses of worship in Daly City.

Starting a week of rousing meetings, the pot luck supper held Friday evening, June 8, was a huge success. Proper celebration of recent payment of church debt and burning of church mortgage was followed by a report from the pastor, Rev. D. C. McKisson, in which he outlined plans for building of a recreation hall to be erected in the near future.

This new addition will provide a place for youngsters to play their games, as well as rooms for meetings of various organization committees, etc.

Contractor Cooney, who was present, reported on probable cost of this proposed addition; various leaders of the church departments pledged their full support; and persons who attended left with the feeling that it will not be many weeks before the proposed recreation hall becomes a reality.

The Women's Foreign Missionary society met last week to honor one of their members, Mrs. Verna C. Langston, who is moving to Red Bluff, California, in the near future. Mrs. Langston has been an active worker in the society for many years, and will be greatly missed by other members.

Chaplain John Redman, recently returned from the South Pacific, spoke before a capacity audience at the evening meeting, Sunday, June 10, and left a challenging message not only to the members of Grace Nazarene church, but to churches all over the United States when he said:

"Our boys are coming back from an inferno that defies description; an inferno that in many cases has gone far towards shattering their lives, their very ideals of existence.

"It is up to the churches back here to help these men regain the lives they left behind them. It is up to us to go far out of our way to help them forget that inferno and return once more to the peaceful pursuits of a life free from worry. A life some of them have almost forgotten ever existed.

# County Budget For Fiscal 1945-46 Hits All-Time High

In spite of vehement protests on the part of Winfield Scott, manager of the San Mateo County Civic League, the County Board of Supervisors adopted an all-time high budget of $4,094,954.87 for the fiscal year of 1945-46 at their regular meeting last week.

This budget tops by over $600,000 the budget for the fiscal year of 1944-45, and topped by $700 the one originally proposed for the coming year.

Broken down in general classifications, the adoted budget calls for the following expenditures:

Salaries and wages, $1,343,133.00; maintenance and operation $2,033,021.50; capital outlay, $529,685.37; interest and debt redemption, $34,115.00; unappropriated reserves, $55,000.00; general reserves, $100,000.00.

One of the new items added at the meeting was $3600 for animal shelter, provided for in an ordinance regulating and licensing dogs in unicorporated areas. This service was placed in department of County Agricultural Commissioner Max J. Leonard.

Principal target of Civil League Manager Scott's protests was the county health and welfare department of Dr. Chas. C. Gans. Talk of a survey of the need for a number of new positions in this department was tabled by the supervisors after considerable discussion.

Dr. Gans was taken to task at a recent meeting of the board for setting up new divisions in his department without consulting the supervisors.

## HARVEST BRIGADES

The need this year for harvest brigades to aid California farmers is just as great as it has been in any summer since the war broke out. In fact, the need is even greater since the food shortage is more acute now than at any time since Pearl Harbor and threatens to become worse before it improves.

This makes it all the more urgent for city dwellers and others not engaged in agriculture to sign up for service on weekends and vacations in California's vineyards, fields and orchards.

This service is not only a patriotic one to our Nation at war, but it also pays suitable wages to the workers.

California farmers have achieved amazing results under severe handicaps arising from lack of adequate new machinery as well as from insufficient manpower. Theirs has been a tough assignment. But they have stayed on the job and keep the food supplies moving to the markets and the armed forces. They deserve all the help we can give them.

Sign up for farm service today. Men, women and children of almost any age can join these vital harvest brigades.

## Daly City Juniors Lose to Junior Seals

The former Daly City Juniors now playing under the name of Bear Photos "As," dropped a 1 to 0 decision to their old rivals, Junior Seals, Sunday.

The contest was a pitcher's duel between Keller of the Junior Seals and Walt Lister jr. of the Bears, Keller allowing two hits and Lister four. Catcher Rosa of the Junior Seals, who secured two hits, scored the only run of the game.

## Longshoremen Play San Mateo Blues, Sunday

The Longshoremen baseball team will travel to San Mateo Sunday, June 17, to cross bats with Stan Botto's fast-stepping Bay Meadows Blues of that city, Manager Harry Maloney announced this week. The game will be played at Fitzgerald park starting at 2:30.

Maloney said this week his lineup would probably be the same as the one he used against the Marines Sunday, with the possibility that Frank Guglimetti, veteran infielder who was not in the Marine game, will return to the lineup. Maloney has signed a new infielder, Espina, and will use him either at second or third base Sunday.

The veteran Ray Stagnaro, or Lou Beecher, formerly of the St. Louis Cardinals, will work on the mound for the Longshoremen.

During the past two weeks, the Blues have turned back Owl Drugs, 2 to 1 and Salinas, 3 to 2. Walt Lister, veteran right hander is doing the mound work these days for the Blues, and Sunday he set the hard hitting Salinas nine down with 11 hits, all well scattered.

Other prominent members of Blues lineup are Frank Volpi, former Pacific Coast League catcher, Paul Hjort, who played with Charlie Norry's Farallone Packers a year ago, and Pete Pellizzer, sensational former San Mateo High school shortstop.

# Coast Guard Needs Recruits

As the full war machines of Uncle Sam and the other United Nations move into the Pacific determined to finish Japan, activity on the San Francisco waterfront has increased tremendously. And the job is just starting as far as this port is concerned.

This, our major embarkation point in the Pacific, now becomes the most important supply center in the world. With it comes an added security responsibility . . . the responsibility of protecting against sabotage and espionage, against fires and other damage to shipping facilities, and to ships and giant loads of war supplies.

It is for this reason that the San Francisco Regiment of the Volunteer Port Security Force is now calling for new recruits. Volunteers serve two 6-hour watches. The work is interesting and exciting.

Many local men have already served for nearly two years . . . making a valuable contribution to the war effort. There's now a chance for others to do the same. Recruiting is taking place at Coast Guard headquarters in the Appraiser's building, Sansome and Washington streets, DO. 0842, extension 273.

## Celebrate First Anniversary of Scout Council

At the first annual publicity dinner of the Daly City-Colma Girl Scout Council held Thursday, June 7, at 7 p. m. at "The Southern," a very successful year of scouting in this area was officially closed.

Mrs. Stella Jansen, commissioner and Mrs. Allene Lehigh, deputy commissioner were presented with lovely corsages and girl scout pins at this time.

Annual reports from all chairmen were read and approved and from these reports it was found that scouting is the big thing now in this area. The number of active girl scouts has doubled in the past year and the number of troops have increased from five to thirteen at the present time.

Mrs. Jensen said that she felt that the theme for the past year should be "Harmony" as everyone has worked so cooperatively and harmoniously that it has been a pleasure to serve with such a group of people.

Only one sad note was injected into the otherwise lovely evening with the receipt of a letter of resignation from Mrs. D. M. Boynton, public relations chairman. Everyone wishes her the best of luck and hopes that some day she will be able to come back to the scouts. She will be greatly missed by every council member and her place will be hard to fill.

The next council meeting will be held on June 28 at the Little Theatre of Jefferson Union High school and at this time all the newly elected council members will be presented.

# Captain Justen Instantly Killed By S. F. Street Car

Captain John W. Justen, 69, veteran sea captain, of 642 San Diego avenue, was instantly killed Wednesday, June 6, when he was struck by a municipal street car at Mission street and the Embarcadero. Capt. Justen had been attending a meeting of Masters, Mates and Pilots Local No. 90 and had been visiting friends in the Ferry Building a few minutes before his death.

Eye witnesses of the accident testified that Captain Justen walked in front of the street car, and Warner Ward, 127 Flournoy street, Daly City, motorman of the car, was cleared of responsibility after an investigation by police.

Justen is survived by his widow, Mrs. Mary Justen and a brother and sister, Olga Forstrom and Albert Justen, both residents of Finland.

A native of Raume, Finland, he answered the call of the sea when just a youngster in his teens, and has sailed for fifty years, first in sailing vessels, then in steamships. He later became trial captain for marine ship yards, taking new ships on their trial runs. While engaged in this capacity, he served for nine months, as captain of a new vessel on a shuttle run between Australia and Guadalcanal.

Recently he was captain of the ferryboat between San Francisco and Sausalito, retiring from this job about a month before his death.

In addition to the Masters, Mates and Pilots Local, he was a valuable member of Doris Lodge No. 216, F. & A. M., Minantonomah Tribe No. 9, Improved Order of Red Men, and California Lodge No. 1, Finnish Brotherhood.

Doric Lodge conducted private funeral services at Anderson's, Valencia street at 25th, San Francisco, Saturday afternoon, June 9. Cremation was at Mt. Olivet Memorial park.

# Dead Woman Found In East Bay Wilds Daly City Resident

Body of a woman found Thursday, June 7, in Redwood Canyon near the Alameda-Contra Costa county line by hikers, and first tentatively identified as that of an Oakland woman, has been definitely identified as Mrs. Nellie Ollinger, of 5 Bismarck street, Daly City.

Acting on a tip that the body might be that of the Daly City woman, who has been missing since April 18, the San Mateo county sheriff's office this week notified the husband, Adrian P. Ollinger, a shipfitter at Hunter's Point and he definitely identified the body as that of his wife Tuesday. She had been under treatment for a heart ailment, the husband said, although actual cause of the death had not been established this week.

In addition to the husband, Mrs. Ollinger leaves a daughter, Betty.

Funeral arrangements had not been announced at the time the Record went to press.

# Ice Follies "Back Home" for Summer Showing

The Shipstads and Johnson, for six years the all time favorites of San Francisco entertainment-goers, brought their spectacular Ice Follies back to this city, now their "home," on June 13. Their summer showing will be at Winterland, their usual habitat.

The famous ice show, largest in the nation today, is expected to play its usual three month season in San Francisco, during which time the company will engage in production of next year's presentation.

George J. Campbell, general manager of Winterland, said that the 1945 edition of the Ice Follies will present practically all of the favorite ice stars of the past few years with a generous portion of new stars, many thrills, and a great deal of comedy.

Heading the list of ice greats who are again with the frosted fantasy are Roy Shipstad, the world's smoothest skater; Eddie Shipstad and Oscar Johnson, the top comic team of the North American continent; Heinie Brock, master mimic of the ice; Hazel Franklin, English ice beauty; Frick and Frack, Swiss zanies; Idi Papez and Karl Zwack, Continental favorites; the Thomas Twins, duplicate cuties; the Roberts, sensational pair team; Phyllis Legg, only feminine stilt skater in the world; the Miltons, surprise laugh hit; Ruby Maxson and Bobby Blake, famed "sweethearts of the Swing Waltz."

Evelyn Chandler, "America's Queen of the Ice," great and famed ice artist popular here and in all other major cities of the nation, has rejoined the show, it was announced.

Newcomers include Jane Zeiser, 18-year old St. Louis beauty; Dick Rasmussen and Bill Cameron, youthful comics and Barry Green, Canadian ace, who turns in a torrid pair exhibition with Hazel Franklin.

This is the ninth annual edition of the Ice Follies and jaded Hollywood critics went into ecstasies over it when the world premier was held in the film city. It is hailed as greater than any of its predecessors.

Tickets for the Ice Follies of 1945 may be obtained now at Winterland and at Sherman Clay box offices in San Francisco and Oakland.

Coffee, bananas, and chocolate make up 95 per cent of Costa Rica's exports.

# Doubleheader Brings Out Crowd To Local Diamond

San Francisco U. S. Marines won their ninth consecutive game, turning back the Longshoremen 6 to 3 and Western Pipe and Steel staged an upset at the expense of Regal Ambers, turning back the Beermen 8 to 4 in the afternoon doubleheader at Marchbanks park Sunday. In a morning game Aquatic Park Juniors bested the Sea Lions 6 to 3.

The Marine-Longshoremen game was a crowd pleaser. Although the Marines played probably their sloppiest ball of several games, they managed to win the game with a third inning, four run splurge in which they punched a double and three singles, with a trio of stolen bases, that included a double with Catcher Wally Kremers crossing the plate, and a couple of errors.

There was plenty of action throughout. Three fast double plays, two of them by the Marines, a clean steal of home by "Toby" the Longshoremen third baseman (really a former well known S. F. semi-pro ace, playing incognito for personal reasons), any number of close plays with Umpires Tejeda and Stamps apparently guessing wrong on several of them, two long triples, one by "Toby," the other by Catcher Kremers of the Marines, all kept the big crowd in an uproar.

Sgt. Mike Duplinski, pitching what may be his last game for the Marines (grapevine dope after the game had him being transferred, probably to overseas duty this week) and Jack Rial, 17 year old right hander of the Longshoremen both pitched good ball. Each allowed eight hits. Duplinski fanned five batters, mostly at critical moments, while Rial had the Marines popping up and grounding out very consistently with the exception of the third.

Marines got one run in the first —when Norris walked, Couvillion bounced a single high over third base, and Russell forced Couvillion, Norris crossing.

Longshoremen tied it in the second when "Toby" tripled to the deepest corner of left field, and a few minutes later stole home. Harry Maloney's men took a temporary lead in the third, when Mike Dalton singled and went around on an error and two infield outs.

Then came the last of the third and the Marines had their big inning. Norris, Couvillion, Russell and Kremers all circled the bases, the latter crossing the plate on the front half of a double steal that saw Kozielski swiping second.

The Longshoremen got their final run in the fourth when "Toby" singled, stole second and third and crossed after Norris caught a fly in center field.

The Marines added one more in the seventh when Russell walked and scored on Kremers' long triple.

That was all the scoring, but both teams had one or more runners on base in every other inning, so that there was always something doing.

The Western Pipe and Steel victory over Regal Ambers was an "oddy," in that the Steelmen were outhit 8 to 6, but bunched every one of their hits in scoring innings.

They got two runs in the first, on a hit batsman, Spina's single and Dalton's double and a two run error by the Regal second baseman. They added three in the second on two singles, two errors, three stolen bases and a balk by Bill Morones, Regal pitcher.

Morones tamed them without a hit from there on until the eighth, when two hits and a walk gave them their other two scores.

Jerry Tamalier, veteran W. P. S. hurler kept Regal hits well scattered all the way. He was nicked for two runs in the fourth, when Driscoll followed Petrocchi's single with a drive into the corner of left field, circling the cases behind his mate when the W.P.S. left fielder slipped in the gutter along the wall.

Three singles and a couple of errors produced the other two Regal runs in the eighth.

Like the big game, it was full of action all the way, with any number of sparkling fielding plays mixed with the hits and errors.

Mike Dalton, W.P.S. second baseman, who later played short for the Longshoremen later on, was the batting star of the game with a double, single and walk in three times at bat. Kelly, who replaced him in the lineup in the sixth inning secured one hit in one time at bat.

# Two Games Scheduled for Sunday, June 17

Two classy ball games are on tap for local baseball fans, Sunday, June 17, at Marchbanks park. Starting at noon, George Herold's fast-stepping Federal Outfitting Co. will cross bats with Young Christian Workers in a regular Summer League game; and at 2:30 Teamsters will clash with South San Francisco Coast Guard Air Station Flyers.

Neither Federal Outfitting Co. nor Young Christian Workers need any introduction to local fans. Both have played at Marchbanks park before and attracted considerable attention by their classy playing.

Federal Outfitting is now in secon place in the Summer league, but needs this victory to continue in the race.

Probable starting lineups of the two teams:

Federal Outfitting — Worthington lf, Lynch 2b, Roelling ss, Maskulka rf, Herold 3b, O'Shea lf, Walsh 1b, Day c, Amarel p.

Young Christian Workers— Maloney 2b, Ignoffo ss, Remy 1b, Heinbockel, 3b, Clifford rf, Mountaintes lf, Majeski cf, Compilango c, Stromberg p.

In recent weeks the Teamsters have been taking on and defeating some of the best of the Bay Region baseball nines, but in the Coast Guard Flyers have lined up perhaps the best team they have yet faced.

The Flyers are leading the Southern Division of the 12th Naval District's National league, and according to Coach Don McShane and members of the San Francisco Marines, top team of the other half of this league, play a class of ball equal to that of the Marines.

Teamsters have announced their probable starting lineup as follows: Jansen 3b, Fernando lf, Jikysi ss, Taylor cf, Lucia rf, McKinney 1b, Bianci 3b, Poggi c, Dick Hazel p.

There will be no morning game at the local diamond Sunday.

### Civilians at War

The Government needs and asks its citizens in the 184th week of the war against Japan to:

1. Be sure your overseas letters are correctly addressed and packages securely wrapped. Because of incorrect addressing, fifteen per cent of all overseas mail never reaches servicemen.
2. Replant your Victory Garden at once if bad weather has made it necessary, or start one if you have not. There is still time to ensure your own store of vegetables.
3. Keep on salvaging urgently needed tin cans. Japan still controls all sources of our pre-war tin supply.

# Colma Midgets Lost First Game

Playing in the San Francisco CYO championships for the first time, the baseball team representing Holy Angels church of Colma, suffered a 10 to 4 defeat at the hands of Mission Dolores Monday night at Seals Stadium.

This was a midget division game and was part of a tripleheader. In other games, St. Paul's defeated St. Cecelia's 10 to 4 in the Pygmy division and All Hallows bested Holy Redeemer 9 to 2, in the Junior section. Winners of the three games will travel to Santa Rost to meet Marin county champions.

Despite the somewhat one-sided defeat, followers of the Holy Angels nine figure the boys made a good showing in their first effort at organized competition. They had the misfortune to go against a team from that section of San Francisco that annually produces some of the most outstanding CYO stars.

The Holy Angels team is coached by Rev. James McElligott.

# Marines to Play At San Bruno Sunday, June 17

San Francisco U. S. Marines will travel to San Bruno Sunday, June 17, for a contest with that city's representative semi-pro team, Newell's. Game time will be 2:30.

This is a contest that Sgt. Don McShane, coach of the Marines has been looking forward to, for some time. The Newell lineup contains many well-known veteran semi-pro diamond stars of the peninsula with "Cookie" Pera, veteran southpaw, ace of the mound staff.

"Whitey" Kurkowski, star third baseman of the Oakland Naval Supply Depot nine is one of the outstanding members of the San Bruno nine, with Wilkin, Gomes, Flanagan, Butler, Fisher and English other Newell players well known to fans all up and down the peninsula.

Although S/Sgt. Hampton Conn and Sgt. Mike Duplinski, right handed aces of the Marine pitching staff, were slated to "ship out" this week, indications now are that one or both will be permitted to remain here for several more weeks by Uncle Sam, McShane said this week.

If this is true, one of the lads will start on the mound Sunday for the Leathernecks. Remainder of the Marine lineup will be the same as usual.

# Marines Cop Tenth Straight Win Wednesday

By Ted Shipley

San Francisco U. S. Marines won their tenth straight game and their eighth successive league victory at Marchbanks park Wednesday afternoon, when they buried the highly touted Mare Island Marines under a 13 to 1 avalanche. The session was a 12th Naval District National League game.

The local Marines really made merry at the expense of "Lefty" Roberts, Mare Island southpaw. They collected 14 hits which included a triple and double by Norris and a three-run double by Joe Couvillion, and scored whenever they pleased.

Three runs tripped across in the last half of the first—one more was added in third, another in the fourth. Instead of one big inning, as is usually the case, the San Francisco lads had three Wednesday. They punched over three more runs in the sixth, added five in the seventh.

By this time everbody was punch drunk, including the local lads, for they committed two mental errors on the bases in these last two spasms that kept the score from mounting far higher.

In the sixth, "Red" Gilbert forgot to touch first after hitting what appeared to be a legitimate triple. Mare Island players and the umpires noted the oversight, acted on it, and Gilbert was called out, to not only nullify his hit, but a run scored by Wally Kremers, who had raced all the way home from first on the drive. It was the final out of the inning.

In the next inning, Ed Russell walked off first base after an outfield fly. There were only two outs, but Russell thought there were three. Consequently, he was an easy double play victim.

Every local regular except third baseman Goodale secured at least one hit. Norris led the way with a triple, double and single. Couvillion batted in four runs with a double and single. Catcher Wally Kremers cracked three singles and second baseman "Buddy" Freese banged two safety.

While the local boys were making merry at Roberts' expense, Ronnie De La Hunt, big southpaw marksman for Don McShane's nine hurled a really classy game. He was fluked out of a shutout in the first inning, when Roberts, third man in the Mare Island batting order, and a left handed batter, punched one into the hedge on top of the short corner of left field for a gift home run.

After that no Mare Islander got further than second off big Ronnie, who gave up six hits, fanned 12, issued four walks and hit two. He did not allow a hit after the fifth inning. His mates didn't have many tough chances, but came up flawlessly with what they did get. Coach Sgt. Don McShane had half his second team in the lineup in the last few innings.

The Marines travel this week. They go to San Bruno Sunday for a contest with the Newells of that city, and to Mare Island next Wednesday for another National league game with the Mare Island Navy Depot nine.

# Poliomyelitis Cases On Uptrend Throughout U. S. A.

On the eve of infantile paralysis summer outbreaks, a recapitulation of the figures available, show that the number of poliomyelitis cases in the country is running about fifty per cent ahead of a year ago, it was announced today by Dr. Don W. Gudakunst, medical director of The National Foundation for Infantile Paralysis, Inc. As of mid-May, the number of new cases this year were 642 as compared with 424 cases for the same period in 1944.

Sharp increases have been reported in the New England states, Middle Atlantic states, South Atlantic area, and the East South Central states. In the Pacific Coast and West South Central areas which have been hard hit during the past two years, there has been a noticeable drop in the number of new cases. The remainder of the country is running about the same as last year.

While the fact that there are fifty per cent more cases in the country this year than in the same period in 1944, "this is not an alarming situation but it should be watched carefully," said Dr. Gudakunst. The medical director also declared that "The National Foundation, based on its experience of assisting in severe outbreaks of infantile paralysis during the past years, is in splendid condition to render real service to medical and public health authorities in an epidemic of infantile paralysis wherever it may occur. We stand ready and willing to help the state, county, and local health authorities at a moment's notice.'

As a further aid in the fight against infantile paralysis, the National Foundation is distributing hundreds of thousands of bulletins entitled "When Polio Strikes" which includes many helpful hints for parents. It also contains a series of simple precautions to be taken by parents during the summer months.

# Civilian Flying To Be Resumed at County Airports

Resumption of civilian flight training at San Carlos, Belmont, Palo Alto and San Mateo airports, and preliminary announcement of the purchase of a 380-acre site near Woodside by the Dare Air Service, as the sight of another airport, were "big news" among peninsula flying enthusiasts last week.

Following a recent meeting of Army and Civil Aeronautics Administration officials at Santa Monica, H. Arthur Hood, regional administrator of CAA announced that a ban on civilian flying, imposed December 8, 1941 had been lifted for the four peninsula airports, although subject to certain restrictions. One of these is that training must not be conducted if there is a ceiling of less than 3000 feet, or visibility is less than five miles.

Belmont and San Carlos airports last week announced they are now open for civilian training from "dawn to dusk," Roy Patton, owner of the San Carlos airport stated he has Cubs, Taylor Crafts, Ryan, Fairchild and Stearman trainers for civilian training, and has three licensed instructors, all former army officers.

Al Norton, owner of the Belmont airport, reported that he will have four instructors, one a former Wasp, and eight planes for such training.

## An "Always-Welcome" Dessert

*By Frances Lee Barton*

THERE is at least one dessert that is always welcomed — particularly by men and children. That's simple chocolate ice cream.

Modern refrigeration enables us to make this delicacy in our own homes, with little effort or expense — and no points. Shortages of commercial ice cream have taught thousands how to make this always-welcome dessert. Here's your recipe, if you care to join the satisfied throng:

**Chocolate Ice Cream**

1 to 1½ squares unsweetened chocolate; ¾ cup milk; 2 teaspoons gelatin; ¼ cup milk; ⅔ cup sugar; dash of salt; 2 cups light cream; 1 teaspoon vanilla.

Add chocolate to ¾ cup milk and heat in double boiler. When chocolate is melted, beat with rotary egg beater until blended. Place gelatin in bowl; add ¼ cup milk and mix well. Add hot chocolate mixture and stir until gelatin is dissolved. Dissolve sugar and salt in hot mixture. Add cream and vanilla. Turn into freezing tray of automatic refrigerator, setting control for coldest freezing temperature. When partially frozen, remove from tray and beat with rotary egg beater until fluffy and smooth. Return to tray and freeze 30 minutes longer; stir. Then freeze until firm. Freezing time: 3 to 4 hours. Makes 1 quart.

## Scouts of Troop 2 Change Meeting Time

Mrs. Louise Buttle, leader of Girl Scout Troop No. 2, announced this week that starting Tuesday, June 19 the troop will meet at the Brownie House, Mission and Theta. The time has also been changed to 12:30 p. m. for the summer months, instead of the 3:30 p. m. meeting time when school is in session.

**Cuban Industry**

There are in Cuba 5,229 plants, covering 182 different types of industries, excluding the sugar industry. These employ a total of 100,000 men who earn a daily wage of $1.50 (conservative average.)

**Asiatic Agriculture**

Under the farming conditions of most of Asia, it requires four or five families living on the land to supply food for themselves and for one family living in a city.

**PLANES ARE LIKE HOMES—THEY NEED "HOUSEKEEPERS"**

**Every passenger plane at United Air Lines must be spic and span before it takes off on its next flight. To do this job of housekeeping calls for the "woman's touch," for the inside of these planes is just like a home. The rugs and upholstery must be vacuumned and metal and glass work polished.**

**You start your "housekeeping" job as soon as the planes arrive. Some of the planes are Mainliners, and others are Army transport planes costing half a million dollars. You use the most modern, labor-saving equipment. No drudgery—nothing difficult about the work.**

**Housewives and other women between the ages of 18 and 45 and not over 150 pounds can qualify for this interesting work. Because United planes arrive at the airport nearly every hour of the day, you will be on shift work.**

**United Air Lines employee benefits include vacation with pay, insurance benefits, periodic wage review and a retirement plan. A modern cafeteria furnishes meals at cost to employees.**

**Apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Avenue.**

# Parmisano Returns to Studies At St. Mary's

Stanley A. Parmisano, 18 year old son of Mr. and Mrs. Anthony Parmisano, 101 Evergreen avenue, Daly City, national collegiate oratorical champion, has returned to his classes at St. Mary's college for the summer term, following an extended tour of the United States and Mexico, awarded him as a result of winning the nation-wide James Monroe Oratorical contest sponsored by the Hearst newspapers.

Young Parmisano is a sophomore student in the pre-legal curriculum at St. Mary's. A graduate of St. James High school in San Francisco, he intends to enter graduate school for law study, and intends to major in law and politics.

He is active in student affairs at St. Mary's, being a leader in journalism and public speaking activities there. He was coached in the oratorical contest by Dr. Louis F. LeFevre, director of the new public speaking program at St. Mary's.

In gaining his honors as national champion, Parmisano had to win two preliminary contests. First, he won the Northern California championship defeating representatives of University of California, Stanford, Santa Clara, Mills College and University of San Francisco. A week later he defeated college champions from Seattle and Los Angeles to win the Far Western title. Both these contests were held in San Francisco.

Just prior to the national contest in New York City, he showed his great religious devotion by leaving his party and going to St. Patrick's Cathedral to offer a special prayer for Divine assistance.

Following the national contest, Parmisano was a member of a party on a special trip through Mexico with John P. Mounteer of Albany, N. Y., national high school champion. During this trip he visited the shrine of Our Lady of Guadalupe, and assisted at mass in the ancient cathedral of Mexico City. He later visited the Mayan ruins in Yucatan, being the guest of the bishop of Merida while there.

Assemblyman Bernard R. Brady of San Francisco introduced a special resolution in the California State legislature, passed unanimously by that body, paying the Daly City lad high tribute and noting the honor and recognition which his victory brought the State of California.

In his national championship oration on James Monroe, Parmisano stressed the right of self-determination for the people of every nation. This was a salient truth in the Monroe doctrine, he pointed out.

"Self-determination is the inherent right of the peoples of every nation; and it is a guide through which international justice is achieved," he said. "Certainly self determination is just, and like most principles of justice, it demands courage of those who would follow it; it demands such courage as was manifested in our own United States only one hundred twenty-two years ago."

# Deputy Sheriffs In Court Action For Permanent Jobs

Two San Mateo county deputy sheriffs, Nicholas Zompolis and Irvin Bedford, last week filed a petition for a writ of mandate against the San Mateo County Civil Service Commission in Superior Court, seeking to compel the commission to give them permanent status.

Bedford was appointed a deputy sheriff July 20, 1943 and Zompolis received his appointment December 1, 1943. Following the commission's decision of several months ago, to dispense with examinations and make only provisional or temporary appointments for the duration of the war, a move advocated by County Executive Frederick Peterson, it denied a request filed with it by the two men April 24, in which they sought permanent appointment.

They are basing their petition on Section 14 of the county charter which states that no successive temporary appointments may be made and no person shall be employed in temporary capacities for more than six months in any one year.

Superior Court Judge A. R. Schottky of Mariposa county, in Redwood City on other court business, signed the alternative writ, which is returnable July 9 at 1:30 p. m.

One of the plaintiffs, Bedford, is now serving as a policeman in Redwood City, and has a request for leave of absence from his county job before the commission.
